To the holders of Ordinary Shares

Dear Shareholder

2016 Annual General Meeting

The 2016 Annual General Meeting of the Company ("AGM") is to be held on Thursday 19 May 2016 at 1 p.m. at Mansel Court, Mansel Road, Wimbledon, London SW19 4AA. The notice convening the AGM is set out at the end of this letter and I am writing to give you more information about the resolutions to be considered at the AGM.

A copy of the 2015 Annual Report and Accounts is enclosed. This contains the financial statements for the year ended 31 December 2015. A resolution relating to the financial statements is included in the ordinary business of the AGM.

Resolutions 1 to 7 deal with the ordinary business that normally takes place at the AGM and require no explanation other than Resolution 2 which relates to the proposed final dividend of 2.05p per Ordinary Share recommended by the Directors. If approved by shareholders, the dividend will be paid on 25 May 2016 to shareholders on the register of members of the Company at the close of business on 28 April 2016.

The information set out below explains the reasons for Resolutions 8 to 11.

Resolution 8 – Approval of Remuneration Report

Whilst AIM traded companies are not required by company law to present a separate Remuneration Report to their shareholders for a vote, your Board has decided that the Remuneration Report, which is contained in the Annual Report and Accounts and sets out the Company's remuneration policy, should be subject to a shareholder vote. Accordingly, Resolution 8 is being proposed as an ordinary resolution at the forthcoming AGM to approve the Remuneration Report.

Resolutions 9 and 10 – Authority to allot shares and disapplication of pre-emption rights

The Companies Act 2006 provides that directors must be authorised before they can allot or grant options over new shares. That authority has to be given by ordinary resolution. The Act also provides that any new shares issued for cash must first be offered pro-rata to existing shareholders unless the statutory pre-emption procedure is disapplied by special resolution.

The necessary authority to allot is contained in Resolution 9 and the disapplication of the statutory pre-emption procedure is contained in Resolution 10.

The authority to allot shares contained in Resolution 9 will expire at the Annual General Meeting of the Company to be held in 2017 or, if earlier, on 30 June 2017 and relates to a maximum aggregate nominal amount of £215,716 which represents one third of the issued share capital of the Company (excluding shares currently held in treasury) as at 31 March 2016.

The disapplication of the statutory pre-emption procedure which is contained in Resolution 10 will also expire at the Annual General Meeting of the Company to be held in 2017 or, if earlier, on 30 June 2017. The authority is limited to the issue of shares in connection with a rights issue or open offer and the issue of shares for cash up to a maximum aggregate nominal amount of £64,715 representing 10 per cent. of the issued share capital of the Company (excluding shares currently held in treasury) as at 31 March 2016.

It is the Directors' intention to seek renewal of these authorities annually.

These authorities are in line with those approved at the last Annual General Meeting in May 2015. These authorities are sought so as to maintain flexibility in the financing of the Company and to give the Directors the opportunity to take advantage of business opportunities as they arise. The Directors remain committed to growing the Company both organically and through acquisition and to review potential acquisitions as opportunities arise. In addition to funding acquisitions through the issue of shares, the authorities will enable the Directors to raise additional working capital by way of a placing. The Directors have no present intention of using these authorities other than to issue shares in relation to the Company's share schemes.

Resolution 11 – Authority to purchase own shares

Resolution 11 authorises the purchase by the Company of Ordinary Shares not exceeding 10 per cent. of the current issued share capital of the Company (excluding shares currently held in treasury). The Directors would only exercise this authority to purchase the Company's shares if, in the light of market conditions, they considered that the effect of purchases would be to increase earnings per share and that it would be in the best interests of shareholders generally.

The price paid for shares will not be less than the nominal value of 1p per share nor more than 5 per cent. above the average of the mid-market values of the Company's ordinary shares as derived from the AIM Appendix to the London Stock Exchange Daily Official List for the five business days preceding the day on which the shares are purchased.

The Companies Act 2006 permits certain companies to hold shares in treasury, as an alternative to cancelling them, following a purchase of own shares by the Company. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy share options and share awards under the Company's employee share schemes.

Once held in treasury the Company is not entitled to exercise any rights in respect of the shares, including the right to attend and vote at meetings. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of treasury shares.

If the Directors exercise the authority conferred by Resolution 11, they may consider holding those shares in treasury, rather than cancelling them. The Directors believe that holding shares in treasury would provide the Company with greater flexibility in the management of its share capital.

Resolution 11 will be proposed as a special resolution to provide the Company with the necessary authority to purchase its own shares. The authority will expire at the conclusion of the Annual General Meeting to be held in 2017 or, if earlier, on 30 June 2017.

Action to be taken

A form of proxy for use by shareholders at the AGM is enclosed. Shareholders are requested to complete and return the form of proxy in accordance with the instructions printed on it so as to arrive at the Company's registrars as soon as possible, but in any event no later than 1 p.m. on 17 May 2016. Alternatively, votes may be lodged electronically at www.capitashareportal.com also to be received by 1 p.m. on 17 May 2016. The return of a form of proxy will not preclude a shareholder from attending and voting at the AGM if he/she so wishes.

Recommendation

Your Directors believe that all the Resolutions to be proposed at the AGM are in the best interests of the Company and its shareholders as a whole and recommend you vote in favour of such Resolutions as they intend to do in respect of their own beneficial shareholdings.

Yours sincerely

Carl Bacon
Chairman

Notes

1. Holders of ordinary shares, or their duly appointed representatives, are entitled to attend and vote at the AGM. Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend and speak and vote on their behalf at the meeting. A shareholder can appoint the Chairman of the meeting or anyone else to be his/her proxy at the meeting. A proxy need not be a shareholder. More than one proxy can be appointed in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different ordinary share or shares held by that shareholder. To appoint more than one proxy, the Proxy Form should be photocopied and completed for each proxy holder. The proxy holder's name should be written on the Proxy Form together with the number of shares in relation to which the proxy is authorised to act. The box on the Proxy Form must also be ticked to indicate that the proxy instruction is one of multiple instructions being given.
2. All Proxy Forms must be signed and, to be effective, must be lodged with the Company's registrar together with the power of attorney or other authority (if any) under which it is signed (or a notarially certified copy of such power of attorney) so as to arrive not later than 1 pm on 17 May 2016, or in the case of an adjournment, 48 hours before the adjourned meeting. In calculating these periods no account shall be taken of any part of a day which is not a working day. Alternatively, you may lodge your vote electronically at www.capitashareportal.com so as to be received no later than 1 pm on 17 May 2016.
3. The return of a completed Proxy Form will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so.
4. Only those shareholders entered on the Company's register of members at 1 pm on 17 May 2016 or, if the meeting is adjourned, shareholders entered on the Company's register of members at 1 pm on the day two days before the date of any adjournment, shall be entitled to attend and vote at the meeting either in person or by proxy and the number of shares then registered in their respective names shall determine the number of votes such persons are entitled to cast on a poll at the AGM. In calculating these periods no account shall be taken of any part of a day which is not a working day.
5. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
6. As at 31 March 2016 the Company's issued share capital consists of 67,813,650 ordinary shares of 1 pence carrying one vote each including 3,098,713 shares held in Treasury. Therefore the total voting rights in the Company as at that date are 64,714,937.
7. Copies of Directors' service contracts and letters of appointment for Non-Executive Directors are available for inspection at the registered office of the Company during normal business hours on any weekday (Saturdays and public holidays excluded). These documents will also be available for inspection at the AGM for at least 15 minutes prior to and during the meeting.
8. A copy of this notice and other information required by section 311A of the CA 2006 can be found at www.statpro.com.
